

Kelly DeRidder, CTFA

Senior Vice President, Senior Trust Officer

Kelly's role is that of a generalist who can help with meeting a variety of your trust and estate needs, whether simple or complex in nature. She also has access to a wide range of products and services including investments, charitable giving, deposits, loans, personal trust services, tax knowledge and financial planning techniques. As a facilitator, advocate, and direct link to the entire spectrum of Wealth Management services, Kelly works with a team of professionals to deliver the essential components to meet your goals and help you anticipate your future needs.
