

Melanie VanderHoff

Senior Vice President, Director of Operations & Risk Management

As Senior Vice President and Senior Operations & Risk Manager, Melanie VanderHoff oversees operations, technology and compliance. In 2003, Melanie was one of five founding members of Legacy Trust. She was responsible for establishing the corporate structure, setting up systems, operation workflows, human resources and benefits. Melanie's role with the firm has evolved over time and has been key to providing leadership in the development of not only the company's operations but compliance and technology. Melanie has effectively lead the team to deliver an exceptional operations utilizing the "best in class" technology all while adhering to strict regulatory requirements. Melanie began her career at Old Kent Bank. She landed in Trust Operations and realized this was truly her passion. The detailed, client focused, technical parts of it lined up with Melanie's personality. Melanie held several positions at Old Kent Bank most recently, Assistant Vice President and Trust Securities Manager.
