

Mark Periard, J.D.

Senior Vice President, Director of Wealth Management

As Senior Vice President and Director of Wealth Management, Mark plays a central role in the leadership of our wealth management service platform, and manages our team of wealth advisors. With more than 17 years of experience developing a trust-and-estate practice at Warner Norcross & Judd LLP, Mark oversees fiduciary services provided for trusts for the benefit of family members and charities. Additionally, Mark directs our Family Office services and client experience initiatives.
